This comprehensive guide provides a step-by-step approach to designing and evaluating evidence-based programs aimed at countering political violence. Written by leading experts in the field, the book covers a wide range of topics, including:

- Conceptualizing political violence and its root causes
- Developing and implementing evidence-based interventions

- Measuring the impact of programs
- Evaluating the cost-effectiveness of interventions
- Scaling up and sustaining effective programs

The book is essential reading for practitioners, researchers, and policymakers working to counter political violence. It provides a wealth of practical guidance and insights that can help to design and evaluate effective programs that can make a real difference in the world.

Endorsements

"This is a landmark publication in the field of countering political violence. It provides a comprehensive and authoritative guide to designing and evaluating evidence-based programs that can make a real difference in the world." - John H. Horgan, Professor of International Relations, University of Massachusetts Lowell

"This book is a must-read for anyone working to counter political violence. It provides a wealth of practical guidance and insights that can help to design and evaluate effective programs that can make a real difference in the world." - Susan E. Rice, Former U.S. Ambassador to the United Nations
