Are you tired of feeling like you're not good enough? Do you constantly compare yourself to others and come up short? If so, then you need to read *Give Yourself Credit*. In this groundbreaking book, best-selling author and speaker John Maxwell shows you how to overcome the fear of failure and criticism, and to develop a healthy sense of self-worth.

Maxwell argues that we all have the potential to achieve great things, but that we often hold ourselves back because we don't believe in ourselves. He shares 17 principles that can help you to build your confidence and to live a more fulfilling life. These principles include:

- Believe in yourself
- Take risks
- Don't compare yourself to others
- Learn from your mistakes
- Celebrate your successes

Give Yourself Credit is a powerful book that can help you to change the way you think about yourself and your abilities. If you're ready to take the next step in your personal and professional development, then I highly recommend reading this book.
