Nadya Atal is a woman on a mission. She is the founder and CEO of Empowering Women, a non-profit organization that provides training and resources to women entrepreneurs in developing countries. She is also the author of the book One From Many, which tells the story of her own journey from poverty to success.

Nadya grew up in a small village in Afghanistan. Her family was poor, and she had to work hard to help support them. She started her own business at the age of 16, and it quickly became successful. However, when the Taliban took over Afghanistan, she was forced to flee her home and start over.

Nadya came to the United States as a refugee, and she had to start her life from scratch. She learned English, got a job, and went to college. She also

started Empowering Women, which has now helped over 10,000 women entrepreneurs in over 50 countries.

Nadya's story is an inspiration to anyone who has ever faced adversity. She is a testament to the power of perseverance, determination, and the belief that anything is possible. *One From Many* is a must-read for anyone who is interested in women's empowerment, entrepreneurship, or simply a good story.
