In his groundbreaking book, *Prosperity Gospel Wounded Charismatics*, Michael Thompson exposes the harmful teachings of the prosperity gospel and offers a path to healing for those who have been affected by it.

The prosperity gospel is a false teaching that claims that God wants all Christians to be wealthy and healthy. This teaching is based on a misinterpretation of the Bible and it has led many people to believe that they are not worthy of God's love if they are not rich and successful.

The prosperity gospel has caused a great deal of damage to the charismatic movement. Many charismatics have been led to believe that the only way to experience God's power is through wealth and success. This has led to a lot of disappointment and disillusionment.

In his book, Thompson argues that the prosperity gospel is a form of spiritual abuse. He shows how this teaching can lead to feelings of guilt, shame, and worthlessness. He also shows how it can damage relationships and lead to financial ruin.

Thompson offers a path to healing for those who have been wounded by the prosperity gospel. He shows how to identify the lies of this teaching and how to replace them with the truth of the Bible. He also offers practical advice on how to overcome the negative effects of the prosperity gospel.

Prosperity Gospel Wounded Charismatics is a must-read for anyone who has been affected by the prosperity gospel. It is a powerful book that can help you to find healing and restoration.
