In the early modern world, religious persecution was a common occurrence. People who held unpopular religious beliefs were often forced to flee their homes and seek refuge in other countries. These religious refugees faced a number of challenges, including discrimination, poverty, and violence. However, they also played an important role in shaping the early modern world. They brought new ideas and perspectives to their new homes, and they helped to spread religious tolerance.

This book is a groundbreaking work that examines the experiences of religious refugees from a global perspective. The author draws on a wide range of sources to provide a rich and nuanced understanding of the challenges and opportunities that these refugees faced. The book sheds

new light on the role of religion in shaping the early modern world, and it offers a valuable contribution to the study of migration and displacement.
