The puzzles in this book range in difficulty from easy to near impossible, so there's something for everyone to enjoy. Whether you're a seasoned puzzle solver or just starting out, you'll find plenty of challenges to keep you busy.

The puzzles are presented in a clear and concise format, and the solutions are included in the back of the book. This makes it easy to check your answers and learn from your mistakes.

If you're looking for a challenging and entertaining way to spend your free time, then I highly recommend *Short Head Scratchers From The Easy To Near Impossible*. This book is sure to provide you with hours of enjoyment.

Here are a few sample puzzles from the book:

1. A farmer has 12 sheep. All but 7 die. How many sheep does the farmer have left?
2. A man is driving his car when he sees a group of children playing in the street. He swerves to avoid them, but he hits a tree instead. The man is not injured, but the children are all dead. Who is at fault?
3. A woman is found dead in her apartment. The police find no signs of forced entry, and there are no witnesses. The only thing out of place is a glass of water on the nightstand. How did the woman die?

If you can solve these puzzles, then you're well on your way to becoming a master puzzle solver. So what are you waiting for? Free Download your copy of *Short Head Scratchers From The Easy To Near Impossible* today!
