In this intimate and revealing biography, James Kaplan, the acclaimed author of *Frank: The Voice* and *Sinatra: The Chairman*, paints a vivid portrait of Frank Sinatra, the legendary singer and actor who captivated audiences for decades.

Drawing on extensive research and interviews with Sinatra's close friends, family, and colleagues, Kaplan explores the man behind the music and the movies. He reveals Sinatra's complex personality, his struggles with addiction and heartbreak, and his triumphs on stage and screen.

From his early days as a crooner with the Tommy Dorsey Orchestra to his iconic performances in films like *From Here to Eternity* and *Ocean's Eleven*, Sinatra lived a life that was both glamorous and tumultuous. Kaplan chronicles Sinatra's relationships with some of the most famous women in the world, including Ava Gardner, Marilyn Monroe, and Mia Farrow. He also explores Sinatra's friendships with other Rat Pack members Dean Martin, Sammy Davis Jr., and Peter Lawford.

Sinatra and Me: In the Wee Small Hours is a must-read for fans of Frank Sinatra and anyone interested in the golden age of Hollywood. It is a fascinating and revealing look at one of the most iconic figures of the 20th century.
