With the addition of Paul McCartney and George Harrison, the band's sound began to take shape, influenced by the likes of Elvis Presley, Little Richard, and Chuck Berry.

In 1960, the Beatles embarked on a series of residencies in Hamburg, Germany. It was during this time that they met Ringo Starr, who would replace Pete Best as their drummer in 1962.

In 1962, the Beatles signed with EMI's Parlophone label and released their debut single, "Love Me Do." The song reached number 17 on the UK charts, setting the stage for their breakthrough. Their follow-up single, "Please Please Me," became their first number-one hit in both the UK and the US, marking the beginning of Beatlemania.

Over the next few years, the Beatles released a string of hit singles and albums, including "She Loves You," "I Want to Hold Your Hand," and "Sgt. Pepper's Lonely Hearts Club Band."
