In recent years, the Camorra has become increasingly involved in the international drug trade. The group has established links with drug cartels in South America and Asia, and it is now one of the major suppliers of cocaine and heroin to Europe.

The Camorra is also a major player in the extortion racket. The group extorts money from businesses and individuals throughout Campania. The

Camorra has also been involved in a number of high-profile murders, including the assassination of journalist Giancarlo Siani in 1985.

The Camorra is a serious threat to the security and stability of Campania. The group's criminal activities have a devastating impact on the local economy and society. The Camorra also poses a threat to the rule of law in Italy.

The Italian government has been working to combat the Camorra for many years. In recent years, the government has increased its efforts to crack down on the group's criminal activities. The government has also introduced a number of measures to help protect businesses and individuals from the Camorra.

The fight against the Camorra is a long and difficult one. However, the Italian government is determined to defeat the group and restore law and order to Campania.

The History of the Camorra

The Camorra is a criminal organization with a long history. The group's origins can be traced back to the 19th century, when it was formed by a group of criminals in the city of Naples. The Camorra quickly spread throughout the Campania region and became involved in a wide range of criminal activities.

In the early 20th century, the Camorra became involved in the international drug trade. The group established links with drug cartels in South America and Asia, and it soon became one of the major suppliers of cocaine and heroin to Europe.

In the 1980s, the Camorra became involved in a number of high-profile murders, including the assassination of journalist Giancarlo Siani. The group's violence and brutality shocked the Italian public and led to a crackdown on the Camorra by the Italian government.

In the 1990s, the Camorra was weakened by a series of arrests and prosecutions. However, the group has since rebounded and remains a major player in the international drug trade.

The Camorra Today

The Camorra is a complex and diversified criminal organization. The group is involved in a wide range of criminal activities, including drug trafficking, extortion, and murder. The Camorra also has a significant presence in the legitimate economy, and it is estimated that the group's annual revenues exceed €1 billion.

The Camorra is a major threat to the security and stability of Campania. The group's criminal activities have a devastating impact on the local economy and society. The Camorra also poses a threat to the rule of law in Italy.
