

# The Search For Truth and Justice After Serial

The podcast Serial, which premiered in 2014, captivated listeners with its in-depth exploration of the 1999 murder of Hae Min Lee and the subsequent conviction of Adnan Syed. The podcast raised serious questions about Syed's guilt and sparked a nationwide conversation about the fairness of the American criminal justice system.

In the years since Serial, there have been significant developments in the case. Syed's conviction was overturned in 2016, and he was granted a new trial. However, the state of Maryland appealed the decision, and Syed remains in prison pending the outcome of the appeal.
