Michael was a successful gangster. He made millions of dollars through racketeering, extortion, and other illegal activities. But he also knew that the life he was living was dangerous. He had seen his father and other mobsters get killed, and he knew that he could be next.

In 1989, Michael decided to quit the mob. He knew that it would be a difficult decision, but he also knew that it was the right thing to do. He went to the FBI and agreed to testify against his father and other mobsters.

Michael's decision to turn against the mob was a major blow to organized crime. He was one of the highest-ranking mobsters to ever cooperate with the government, and his testimony helped to put dozens of criminals behind bars.

Michael's story is a fascinating one. It is a story of redemption and second chances. It is a story that shows that even those who have committed serious crimes can change their lives for the better.

Michael Franzese's Early Life

Michael Franzese was born in Brooklyn, New York, on May 27, 1951. His father, Sonny Franzese, was a powerful Mafia boss in the Colombo crime family. Michael's mother, Catherine, was a devout Catholic who tried to keep her son away from the family business.

But Michael was drawn to the Mafia life from a young age. He idolized his father and wanted to be just like him. By the time he was in his early 20s, Michael was running his own crew and making millions of dollars through racketeering, extortion, and other illegal activities.

Michael Franzese's Life in the Mafia

Michael Franzese was a successful gangster. He was known for his ruthlessness and his ability to make money. He was also a loyal member of the Colombo crime family, and he was always willing to do whatever it took to protect his family and his crew.

But Michael also knew that the life he was living was dangerous. He had seen his father and other mobsters get killed, and he knew that he could be

next. He also knew that he was hurting the people he loved, and he wanted to find a way out.

Michael Franzese's Decision to Quit the Mob

In 1989, Michael Franzese decided to quit the mob. He knew that it would be a difficult decision, but he also knew that it was the right thing to do. He went to the FBI and agreed to testify against his father and other mobsters.

Michael's decision to turn against the mob was a major blow to organized crime. He was one of the highest-ranking mobsters to ever cooperate with the government, and his testimony helped to put dozens of criminals behind bars.

Michael Franzese's Life After the Mob

After he quit the mob, Michael Franzese went into hiding under the witness protection program. He changed his name and moved to a new city. He also started a new business, and he has become a successful author and motivational speaker.

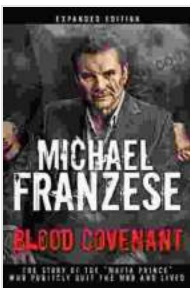

Michael Franzese's story is a fascinating one. It is a story of redemption and second chances. It is a story that shows that even those who have committed serious crimes can change their lives for the better.

Michael Franzese's Book

Michael Franzese has written a book about his life called "Quitting the Mob: My Life as a Mafia Prince." In the book, Michael tells the story of his life in the Mafia, his decision to quit, and his life after the mob.

"Quitting the Mob" is a fascinating read. It is a raw and honest account of one man's journey from the depths of organized crime to a life of redemption. The book is a must-read for anyone interested in true crime, the Mafia, or the power of redemption.

Michael Franzese's story is a powerful reminder that even those who have committed serious crimes can change their lives for the better. It is a story of hope and redemption, and it is a story that will inspire anyone who reads it.
