Boston Marathon

The Boston Marathon is the oldest annual marathon in the world, having been first held in 1897. It's also one of the most prestigious, with a field of elite runners and a challenging course that winds through the historic streets of Boston. The race is known for its iconic finish line on Boylston Street, where the cheers of the crowd will carry you to the end.

London Marathon

The London Marathon is one of the world's most popular marathons, with over 40,000 runners taking part each year. The course takes you through some of London's most iconic landmarks, including the Tower of London, Buckingham Palace, and the Houses of Parliament. The race is known for its enthusiastic crowds and its flat, fast course, which makes it a great choice for first-time marathoners.

The London Marathon is one of the most popular marathons in the world, with over 40,000 runners taking part each year.

New York City Marathon

The New York City Marathon is the largest marathon in the world, with over 50,000 runners taking part each year. The course takes you through all five boroughs of New York City, from Staten Island to Central Park. The race is known for its incredible atmosphere, with millions of spectators cheering you on along the way.

Great Wall Marathon

The Great Wall Marathon is one of the most unique and challenging marathons in the world. The course takes you along the Great Wall of China, with stunning views of the surrounding mountains and countryside. The race is known for its steep climbs and rugged terrain, but it's also an unforgettable experience that will stay with you long after you cross the finish line.

The Great Wall Marathon is one of the most unique and challenging marathons in the world.

Tokyo Marathon

The Tokyo Marathon is one of the most popular marathons in Asia, with over 30,000 runners taking part each year. The course takes you through the streets of Tokyo, past some of the city's most famous landmarks, including the Tokyo Skytree and the Imperial Palace. The race is known for its flat, fast course and its enthusiastic crowds.

Paris Marathon

The Paris Marathon is one of the most beautiful marathons in the world. The course takes you through the streets of Paris, past some of the city's most iconic landmarks, including the Eiffel Tower, the Louvre, and the Arc de Triomphe. The race is known for its flat, fast course and its vibrant atmosphere.

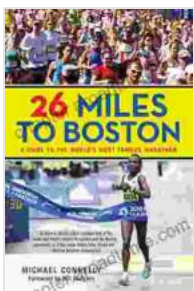

The Paris Marathon is one of the most beautiful marathons in the world.

Berlin Marathon

The Berlin Marathon is one of the fastest marathons in the world. The course is flat and fast, and the race is known for its world-record times. The race is also known for its enthusiastic crowds and its well-organized logistics.
